

Thank you for partnering with Well Child to keep your students healthy, ready to learn, and in the classroom. Please see below for instructions on linking to Well Child's online registration portal:

- **Well Child website link:** <https://www.wellchild.com>
- **Image:** Included in this folder is an assortment of image options to include on your website. If your site requires an image of a different size or design, please contact Tracey Jackson at tjackson@wellchild.com.
- **Verbiage:** If you would prefer a text-only option, please use:
{School district} is excited to partner with Well Child to provide students with preventive healthcare services. To sign up, please visit www.wellchild.com.
- **Promotion:** Also included in this folder is a flyer promoting Well Child's online registration option. Please share with your families to encourage participation.

Please contact Tracey Jackson, Well Child's Director of Marketing, at tjackson@wellchild.com with any questions.
